Right Mouse Button Operations

The screenshot displays the CaptainCasa Enterprise Client interface. At the top, the browser title bar reads "CaptainCasa Enterprise Client: http://www.casabacdemo.com/ccpim/faces/around.jsp". Below this is a calendar view for the week of June 2nd to 8th. The calendar grid shows a "Meeting Dev..." event on Wednesday, June 4th, and a "Lunch" event on Thursday, June 5th. A red oval highlights a blue "Add Schedule Item" button overlaid on the calendar grid. Below the calendar is a task list with columns for "Immediately", "Important", "Less Important", "Long Term", and "Archive". The "Immediately" column contains tasks: "Buy Coffee machine", "Clean Office", and "Write xyz Report". A red oval highlights a right-click context menu over the "Clean Office" task, showing a "Remove" button. Another red oval highlights a right-click context menu over the "Write xyz Report" task, showing options: "Create new Category", "Edit Category...", and "Remove Category...". At the bottom of the interface, there is a "New Card" button and a "Processing response" progress bar.

Drag and Drop Operations

The screenshot displays the CaptainCasa Enterprise Client interface. At the top, the browser title is "CaptainCasa Enterprise Client: http://www.casabacdemo.com/ccpim/faces/around.jsp". Below this is a calendar view with columns for days of the week (Mon 2.6., Tue 3.6., Wed 4.6., Thu 5.6., Fri 6.6., Sat 7.6., Sun 8.6.) and rows for hours from 08:00 to 19:00. A task card titled "Meeting Dev..." is positioned on Wednesday at 12:00, and another card titled "Lunch" is on Friday at 12:00. An orange arrow labeled "Reschedule" points from the "Meeting Dev..." card to the "Lunch" card. Below the calendar is a task list with columns for "Category" and "Sequence". The list contains items: "Buy Coffee machine", "Clean Office", and "Write xyz Report". An orange arrow labeled "Move Card" points from the "Clean Office" item to the "Write xyz Report" item. To the right of the task list, there are tabs for "Less Important", "Long Term", and "Archive". Below the tabs, there is a section for "Prices:" listing "Saeco xxx" and "Jura yyy", and a note: "Jane knows local dealer ==> order via Jane!". At the bottom of the interface, there is a "New Card" button and a "Processing response" progress bar.

Technical Info

- Personal Information Manager is a demo application.
 - User Interface: CaptainCasa Enterprise Client
 - DB Access: Hibernate
 - DB: SQL, Hypersonic HSQL DB
- Code is available on request.
 - In the code business logic and User Interface processing are strictly decouple through a Facade interface.
